2008 Annual Report

*Nurture your faith.
Trow your community.*

We have witnessed Christ's message of love through his humble example of selflessness. Together we can continue Christ's teachings of compassion, acts of faith and good works. By providing a simple way for donors to create a legacy of giving to their favorite causes, The Catholic Community Foundation provides fertile ground in which to plant the seeds of faith, grow them gloriously and spread the bounty to those who need it most.

*Reap rewards,
Spread bounty.*

As Catholics, giving is not what we do; it is who we are. The Catholic Community Foundation provides a variety of ways for you to support the community you live in, perpetually. From anonymous individual gifts to donor advised funds, you can be involved as much or as little as you want in helping guide the distribution of grants to the organizations that support the mission and values of the Catholic Church.

*Cultivate a legacy
of giving.
Plant a seed.*

Christ showed us how much can be made from even the smallest gift shared. Likewise, a modest amount of giving can grow and spread with the proper nurturing. The Catholic Community Foundation has a proven track record for managing investments to ensure competitive performance, while at the same time remaining socially responsible in its investment philosophy. Whether you're a parish with an endowment fund or an individual with a budding donor fund, your resources will be carefully managed to grow over time, and provide the maximum benefit to the organization and causes in which you believe.

Dear friends, It has been well documented throughout this country that we, as individuals, are facing many challenges – from a sluggish economy and weak stock market to a growing number of nonprofits that are seeing their contributions decrease while the need for their services increases. It is important for you to know that The Catholic Community Foundation, through our donor funds and grant program, remains steadfast in making real and significant contributions to your community.

We continue to focus on the positives and report to you the “good things” we are doing with the help of our donors and clients.

- This year we reached another milestone for our organization – we have now awarded over \$2 million in grants since our inception. In addition, our assets at the end of the fiscal year totaled \$27.3 million.
- We continue to apply our socially responsible investment guidelines to all foundation assets we manage for our donor and agency funds.
- We continue to work with donors to simplify their giving, while enabling them to establish a legacy fund for future generations.
- We continue to work with parishes, schools and Catholic organizations to provide investment management in a socially responsible manner for their endowment fund assets to help secure their futures.

At a time when there are so many ways for donors to give, The Catholic Community Foundation provides individuals with an opportunity to take advantage of tax benefits, but more importantly, it allows them to establish a legacy gift that will be invested based on our social screens and provide support to those organizations they care most about. Our mission is to help you make your church and community a richer and healthier one that will continue to grow and secure Christ’s legacy for future generations.

On behalf of the entire board, we extend our heartfelt appreciation to each of you for your continued support of the Foundation. We ask you to spread the word about us so that together we can help grow the seeds we have already planted.

P. Michael Mahoney
Chairman of the Board

Mary Ellen Markowski

DONOR FUNDS

Donors make a gift which is invested in a permanent endowment and each year grants are awarded from the fund. A donor can establish one of the following types of funds within the Foundation and give it a name and purpose that reflects their philanthropic intentions.

Advised Fund Grants are awarded to charitable organizations that are recommended by the donor and/or family member. These funds may be more favorable than starting a private foundation.

Field of Interest Fund Grants are awarded in a particular charitable area specified by the donor. The Foundation Board makes sure it carries out the wishes of the donor.

Designated Fund The donor specifies one or more charitable agencies or organizations to which grants are awarded.

Unrestricted Fund The board is given full discretion in awarding grants based on the Foundation's priorities.

Supporting Foundation A private foundation may wish to become a part of the Foundation.

Agency Endowed Fund Agencies, such as parishes, schools or other Catholic organizations, are able to incorporate their funds, most typically their endowments, into the Foundation while still maintaining ownership. They benefit from investment management expertise and administrative services provided by the Foundation.

**PROVIDING EDUCATION. NURTURING LEADERSHIP.
STRENGTHENING FAMILIES. SUPPORTING HEALTH CARE.**

.....

In awarding discretionary grants, the Foundation is focusing on four grant priorities for the foreseeable future.

Teaching Through Catholic Teneosities

Education has always been an important mission of the Catholic Church. The Foundation will support Catholic schools and religious education programs that provide formation for students in kindergarten through twelfth grade.

Strengthening the Foundation of the Church

To help build strong, supportive communities, the Foundation will support initiatives that strengthen families, parishes and those suffering from poverty, discrimination and violence.

Sharing the Faith Through Leadership

The Church needs effective leaders if it is to move boldly into the new millennium. Parishes, schools and agencies must have leaders who are able to engage people in creating a shared vision for the future while developing sound strategies and infrastructures to achieve the vision.

Health Care Support Begins at the Heart

The Foundation awards grants from a fund established by the St. Anthony Foundation to support those organizations that are engaged in providing health care services in the City of Milwaukee, with particular attention being given to the central portions of the city that were formerly served by St. Anthony Hospital.

Grantmaking Policies The primary geographic area served by The Catholic Community Foundation is the ten counties of the Archdiocese of Milwaukee. At least seventy-five percent of grants from any given fund should be made to organizations located in Milwaukee, Waukesha, Ozaukee, Washington, Dodge, Racine, Kenosha, Walworth, Sheboygan and Fond du Lac counties. Recipient organizations may not necessarily be Catholic, but their missions are required to be

consistent with the work of the Roman Catholic Church. The Board of Directors has established a grants committee that reviews grant proposals and recommends distributions of the Foundation's unrestricted, field of interest, donor advised and donor designated funds in accordance with established policies and procedures. The Board of Directors gives final approval to all grants.

OUR APPROACH

The Catholic Community Foundation invests its assets to financially support current activities related to its mission, as well as provide resources for future efforts and growth. Asset allocation is the key to achieving this objective. The portfolio is well-diversified, allowing achievement of the return objectives during a variety of economic and market conditions. Presently, the Foundation invests in asset classes ranging from traditional equity and fixed income to alternative investments. The strategy is implemented using world-class investment managers and is monitored on a regular basis. All investments meet socially responsible investment criteria and are consistent with

Catholic teachings. Over the past year, markets declined sharply as concerns regarding inflation, oil prices and the credit crisis were at the forefront. The Foundation's long standing strategy of pursuing broad asset class diversification paid significant dividends during the past year, as the impact of market volatility and losses was tempered. Allocations to emerging markets equities, commodities and fixed income produced gains. While U.S. equity investments declined, the Foundation's results in this area were better than benchmarks thanks to successful active management. In aggregate, we were pleased to see the total portfolio was able to outperform the target benchmark by 1% over the past fiscal year.

NOTES TO FINANCIAL STATEMENTS

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Tax-Exempt Status

The Foundation has received notification that it qualifies as a tax-exempt organization under Section 501(c)(3) of the U.S. Internal Revenue Code and corresponding provisions of state law and, accordingly, is not subject to federal or state income taxes.

Net Assets

Net assets, revenues, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation are classified and reported as follows:

Unrestricted Net Assets

Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets

Net assets subject to donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Foundation pursuant to those stipulations.

Permanently Restricted Net Assets

Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation.

Agency Endowment Funds

Certain Catholic parishes and other organizations have transferred funds to the Foundation for management. These funds are invested with the other funds of the Foundation, but the title is retained by the transferring organization and is reflected in the statements of financial position of the Foundation as a long-term liability.

The Catholic Community Foundation is audited annually. Copies of the complete audit reports are available upon request.
